● OVERVIEW

So how it does it work exactly?

Let's Understand the association quickly answering three questions.

01

Who is this for and what does it do?

02

What are its features, how does it help?

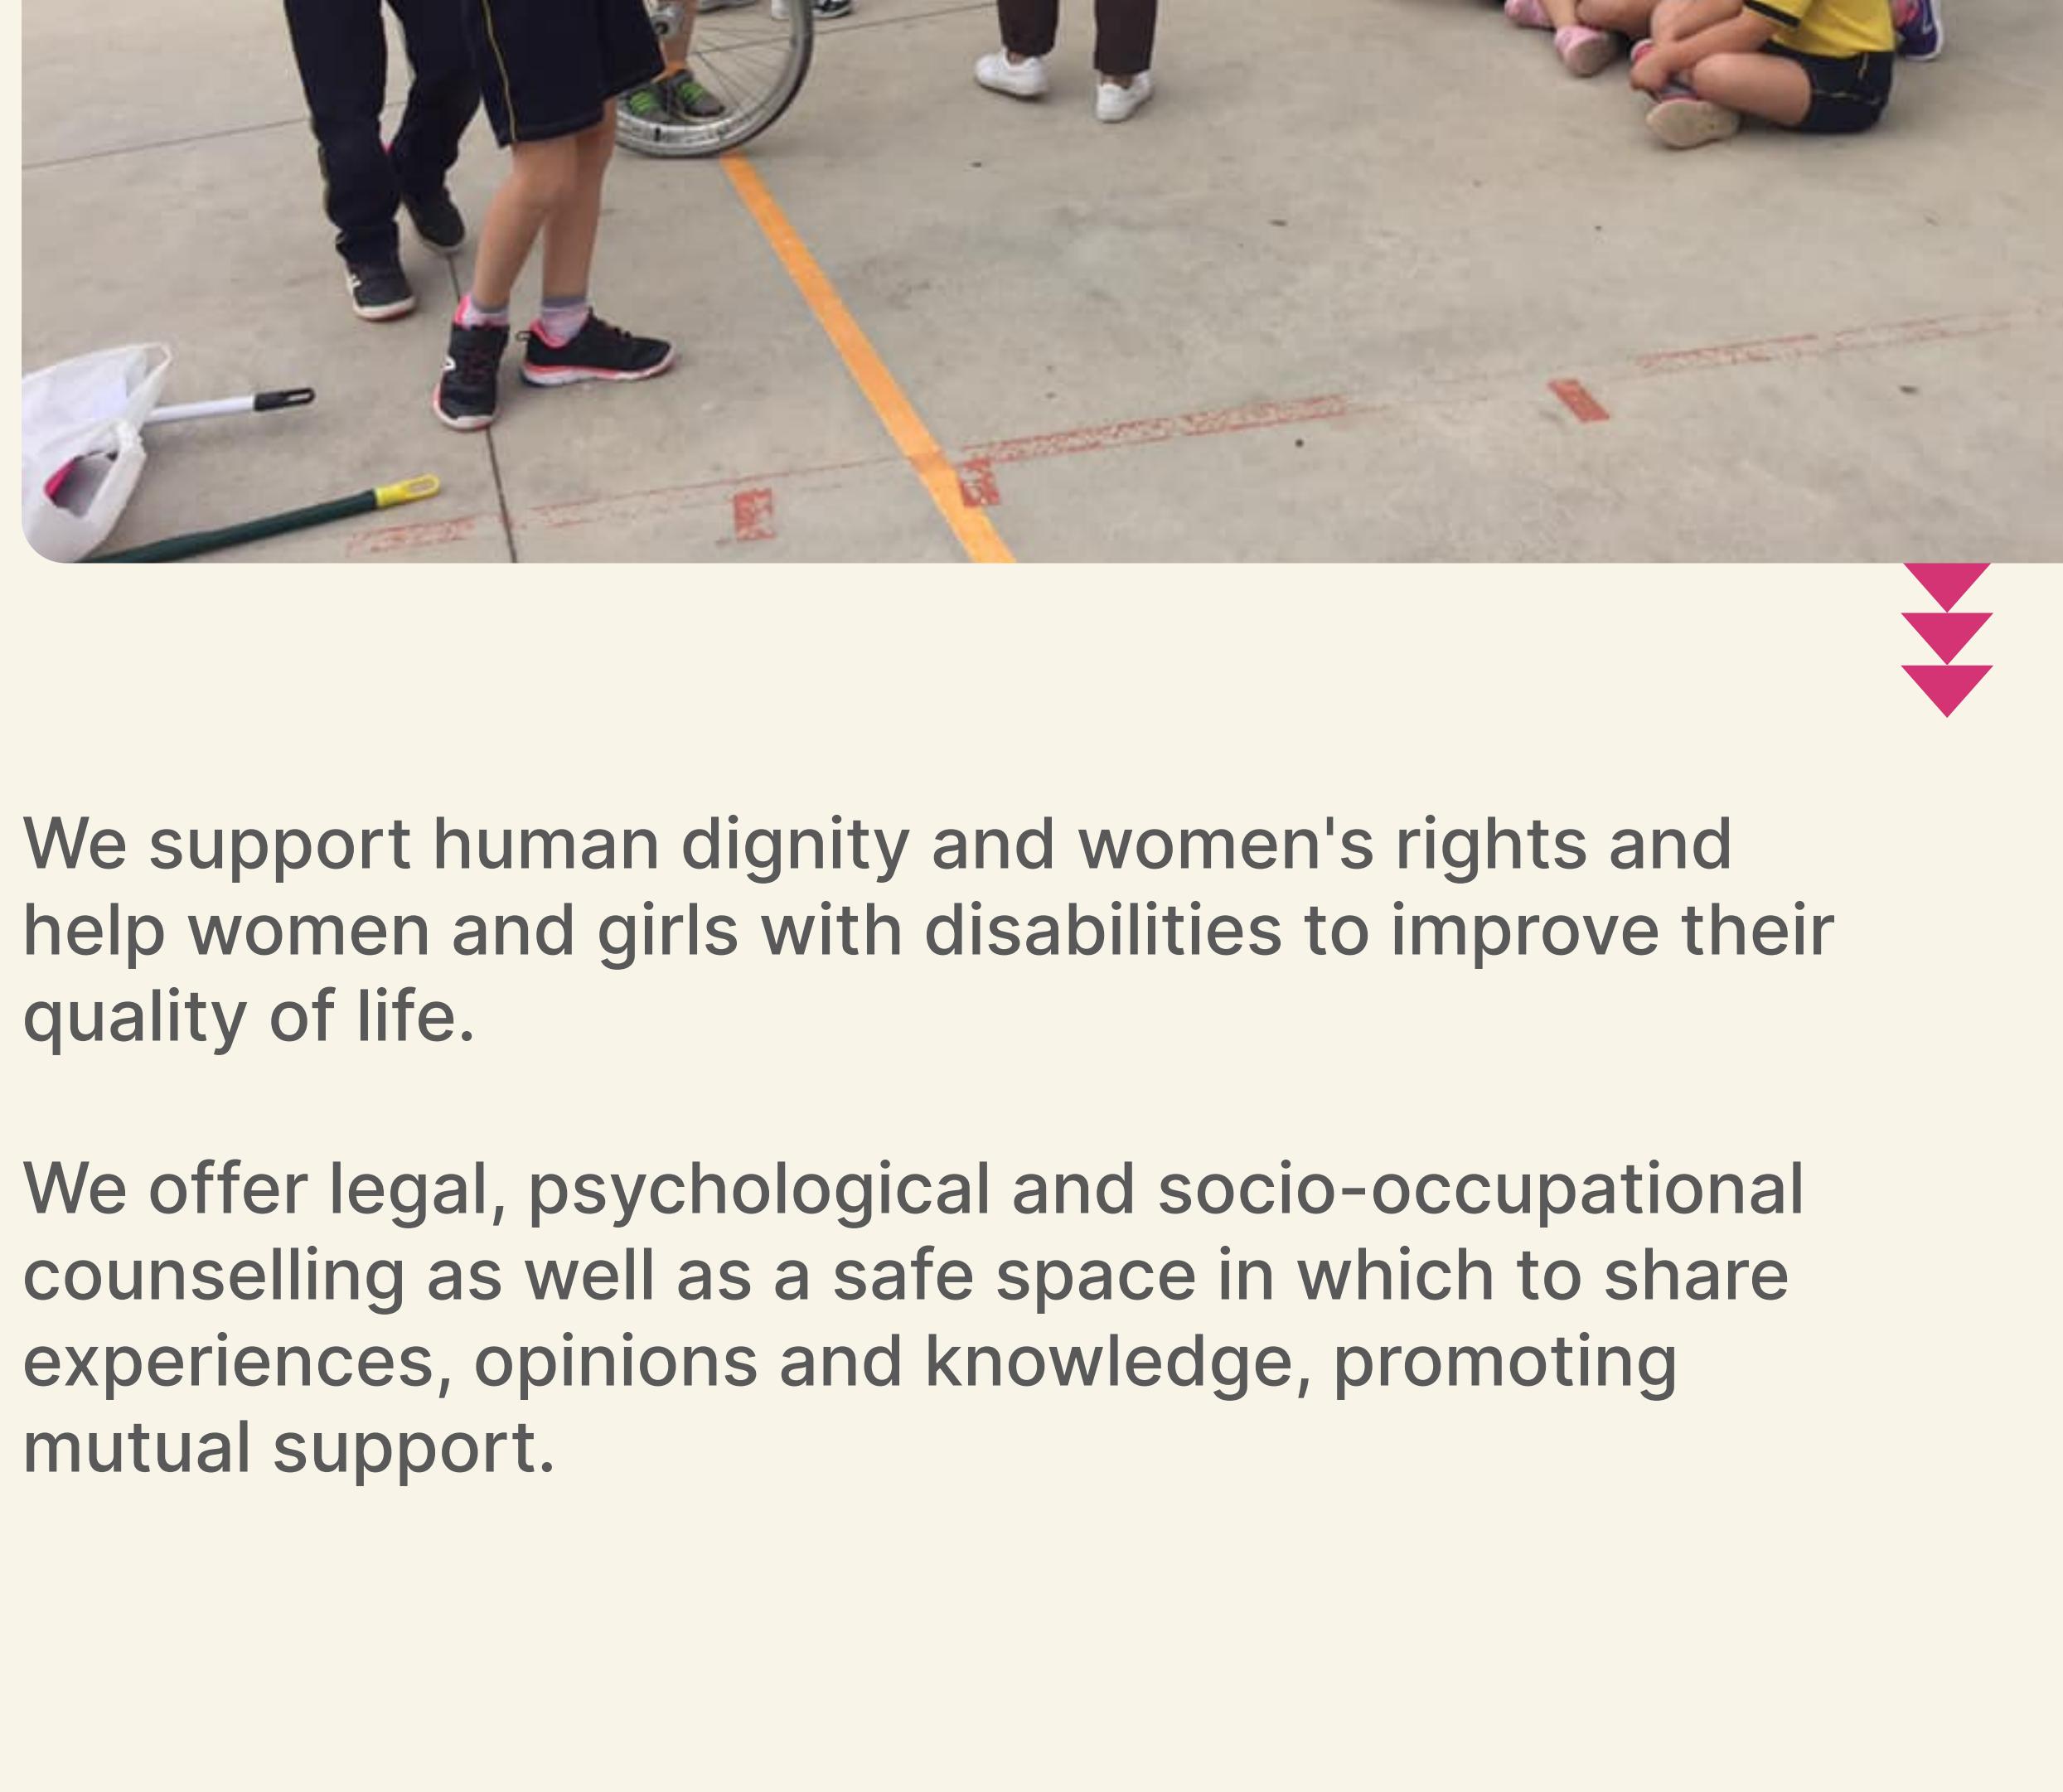

03

Is there anything else that is tailor-made for me?

001

Who is this for and what does it do?

The association is for all women with disabilities who are looking for employment, personal development or to improve their quality of life, among many other services.

We have the resources and experience to deal with disability and to meet their needs, constituting a clear reference point to which they can turn.
